American Government

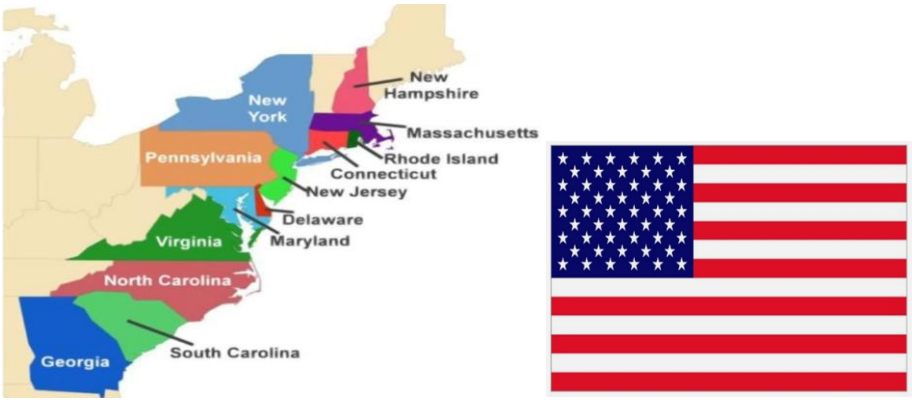

Constitution is supreme law that protects the basic rights of Americans and defines the government, the first 3 words "**WE THE PEOPLE**" means citizens decide to create a government.

Amendment is a change to the constitution.

The first amendment is about freedom of speech, assembly, press, petition of gov, religion.

Constitution has 27 amendments.

4th July 1776 is independence day.us flag 13 stripes represent the British 13 colonies such as

Principle of democracy is "**Role of Law** "means everyone must follow the law, no one is above the law.

System of Government

The person or group of people who makes the rules or laws for everyone else is called a government.

Government How it works

- Absolute Monarchy
  - Ruled by one person who makes all the laws for all the people.
  - Usually, the ruler is called a king or queen.
  - Only a few nations in the world have absolute monarchies.
- Constitutional Monarchy
  - A form of government where the power of the ruler or monarch is limited by law.
  - The government is usually made up of representatives elected by the people.
  - There are many constitutional monarchies today.
- Dictatorship
  - A country whose leader rules with absolute power, usually by force.
  - Some dictatorships still exist today.
- Direct Democracy
  - A system of government in which all the citizens take part in suggesting and making the laws. The ancient city-state of Athens in Greece is a good example of a direct democracy.
- Representative Democracy
  - A system of government in which voters choose representatives to act in their interests.

- The United States is an example of a modern representative democracy.

Anarchy Exists when there is no government present in a country. The people can do anything they wish to do.
